POSTPONEMENT OF THE GENERAL MEETING TO JUNE 30, 2021

As announced on May 14, 2021 and in connection with the Combination Agreement signed with Veolia, the date of SUEZ's General Meeting, initially scheduled for June 22, 2021 has been postponed to Wednesday, June 30, 2021 at 2:30 p.m.

It is reminded that this General Meeting will be held without the physical presence of the shareholders at the Company's head office, Tour CB21, 16, place de l'Iris, 92040 Paris-La Défense Cedex.

A notice of adjournment and a notice of meeting were published in the "Bulletin des Annonces Légales et Obligatoires" today.

The Ordinary General Meeting of June 30, 2021 is called to deliberate on the same agenda as the one in the notice of meeting published in the BALO on April 30, 2021. The resolutions remain unchanged except for the third resolution relating to the allocation of the net income for the year ended and the determination of the dividend, for which the ex-dividend date and payment date are set at July 6 and 8, 2021 respectively, instead of June 28 and 30, 2021.

About SUEZ:

Since the end of the 19th century, SUEZ has built expertise aimed at helping people to constantly improve their quality of life by protecting their health and supporting economic growth. With an active presence on five continents, SUEZ and its 90,000 employees strive to preserve our environment's natural capital: water, soil, and air. SUEZ provides innovative and resilient solutions in water management, waste recovery, site remediation and air treatment, optimizing municipalities' and industries' resource management through "smart" cities and improving their environmental and economic performance. The Group delivers sanitation services to 64 million people and produces 7.1 billion m³ of drinking water. SUEZ is also a contributor to economic growth, with more than 200,000 jobs created directly and indirectly on an annual basis, and a provider of new resources, with 4.2 million tons of secondary raw materials produced. By 2030, the Group is targeting 100% sustainable solutions, with a positive impact on our environment, health and climate. SUEZ generated total revenue of €17,2 billion in 2020.
